

# Modern Girl

## Sleater-Kinney

Once a beautiful Miss America married Mr. Right  
Had a little baby girl born on a stormy night.  
But that was once upon a time  
now it's a brand new world.  
Gimme the future  
gimme the future  
gimme the future with a modern girl.  
Gimme the future  
gimme the future  
gimme the future with a modern girl.  
Somewhere just between the past and somethin' dawnin' new  
There's a break in the chain  
a skip in the clock  
Girl  
that's where I'm gonna find you.  
Between the boy I was before and what I'm gonna be  
There's a clash on the border  
a flame in the sky  
Girl  
that's where you're gonna find me.  
Can't you hear the planet groanin' like a broken down machine  
Rusted with the guilty tears of fallen kings and queens.  
But you and I stand innocent  
baby  
it's a brand new world.  
Gimme the future  
gimme the future  
gimme the future with a modern girl. ...  
Gimme the future  
gimme the future  
gimme the future with a modern girl.  
We're the son and the daughter on a new freeway  
  
Gimme the future  
gimme the future.  
Oh  
laughin'  
While the road maps blow away  
Gimme the future with a modern girl.

We're the son and the daughter  
And we ain't afraid  
Gimme the future  
gimme the future.  
Won't be makin' the mistakes  
Our fathers made  
Gimme the future with a modern girl.  
Gimme the future  
gimme the future  
Gimme the future with a modern girl.  
Gimme the future  
gimme the future  
Gimme the future with a modern girl.  
Once a beautiful Miss America married Mr. Right

gimme the future with a modern girl. ...
