

# Stand Tough

## Point Break

Don't you know that this is the beginning just a game  
Don't you know that this is just a game just a game it's just a game

Chorus

Stand tough stand tough  
Never gonna get me down  
Gotta get up to get up  
Enough is enough  
Stand tough stand tough  
I'm never gonna give it up  
Gotta get up to get up and up and up  
Stand tough

This world is changing and the pressure's got me going down  
My feet are walking from this sad and lonely one horse town  
Don't try and stop me 'cos I'm hurting from the cold outside  
My heart is jumpin' jumpin' jumpin' and I don't know why

Bridge

So what ya gonna do when it all comes down  
Tell me tell me tell me tell me  
What ya gonna do when it hits the ground woah

Chorus

Had enough of everybody telling me just what to do  
I've got to get this message through the wire and straight to you  
Bringing on the good times for the bitter ones are sure to end  
We've got to make a stand 'cos on this world we all depend

Bridge

Chorus

Don't you know that this is the beginning just a game  
Don't you know that this is just a game just a game just a game  
Stand tough stand tough  
Never gonna get me down come on  
Gotta get up to get up  
Enough is enough  
Stand tough stand tough huh  
I'm never gonna give it up get down  
Gotta get up to get up come on and up come on and up come on  
Stand tough stand tough  
Never gonna get me down get down  
Gotta get up to get up

Enough is enough  
Stand tough stand tough  
I'm never gonna give it up  
Gotta get up to get up and up and up  
Stand tough stand tough  
Never gonna get me down  
Gotta get up to get up  
Enough is enough  
Stand tough stand tough  
I'm never gonna give it up  
Gotta get up to get up and up and up  
Stand tough stand tough
