

# Devil's Work (Bronze Whale Bootleg)

Miike Snow

The blinds here are so sharp and they cut,  
The light from the primitive sun  
You know I really wanted her Society thinks so highly of  
This hotel I vomited on  
Before I lost the sight of her My man, he quietly closes the door  
Now the pharaoh is woken,  
My hands, I feel like I've been here before  
She has already spoken Anyway  
There's no reason to get hurt  
You don't need to sell your shirt  
To do the devil's work You finally found your place  
You know it always works  
You know it always works I saw someone who looked like you on  
The platform at Bondi station  
But from a younger era The lights in the bell house were still on  
We all need somebody to love,  
Be we clothed or naked. My man, he quietly closes the door  
Now the pharaoh is woken  
My hands, I feel like I've been here before  
She has already spoken Anyway  
There's no reason to get hurt  
You don't need to sell your shirt  
To do the devil's work. You finally found your place  
You know it always works  
You know it always works You finally found your place
