

# Alien

## The Funeral Portrait

Am I upside down?  
Can I really be that confused?  
I wonder which world is true

Is it in my head  
Or does everyone feel it too?  
I wonder which world is true (true)

Are you listening  
To the static inside of you  
Or am I just out of tune?

They say to be myself now  
But they really don't want me to  
They'd rather me be like you (you)

'Cause I'm outside always looking in  
This world, I just don't fit in  
I'm an alien, an alien  
Where do I belong?  
I'm lost in oblivion, so tired, barely hanging on  
I'm an alien, an alien  
Where do I belong, do I belong?  
This is not my home, do I belong?  
'Cause I, I feel like an alien

It's a crowded room  
So maybe I'll just disappear, disappear

And if I die tonight  
Will anybody know I was here, or am I just weird?

'Cause I'm outside always looking in  
This world, I just don't fit in  
I'm an alien, an alien  
Where do I belong?  
I'm lost in oblivion, so tired, barely hanging on  
I'm an alien, an alien  
Where do I belong, do I belong?  
This is not my home, do I belong?

'Cause I, I feel like an alien

Is anybody listening?  
Am I really that different?  
Tell me, where do I fit in?  
Oh-ooh-ooh

Outside always looking in  
This world, I just don't fit in  
I'm an alien, an alien  
Where do I belong?  
I'm lost in oblivion, so tired, barely hanging on  
I'm an alien, an alien  
Where do I belong, do I belong?  
This is not my home, do I belong?  
'Cause I, I feel like an alien
