

One Night One Night (feat. Jimmy Beaumont)

The Skyliners

One night is all I need
To prove my love is true
One night, one night
All alone with you. Hey listen Baby wanna hold you close
The way I used to do
And spend one night
All alone with you. I long to tell you how I feel
I'm proud this love is our's (and) is real
So, Darling when the lights are low
Let me tell you how I love you so.
Please say we'll start anew
And everything's all right
And I can call on you
Tonight and every night. I long to tell you how I feel
I'm proud this love is our's is real
So, Darling when the lights are low
Let me tell you how I love you so.
Please say we'll start anew
And everything's all right
And I can call on you
Tonight and every night. Tonight and every night (x4)
