

Jenny

Terra Naomi

jenny i think you've lost your mind
jenny the friends you thought you had
have left you far behind
jenny there's truth in unkind words
sometimes
take what you need
and leave the rest
for someone else to find now you wanna show it to the world
you wanna show them
just what happens
when you hurt a girl jenny i think you lost your mind
jenny i think you lost your mind
take that trophy from your hand
and just put it down
you can
we all have to lose sometimes it'll be better in a year
you'll forget everything
you thought
was so important here
jenny i know even the darkest clouds
will disappear now you wanna show it to the world
you wanna show them
just what happens
when you hurt a girl jenny i think you lost your mind
jenny i think you lost your mind
take that trophy from your hand
and just put it down
you can
we all have to lose sometimes
we all have to lose sometimes
we all have to lose sometimes...
