

F**k You

Dr. Dre

I see you drivin' 'round town with the girl I love
And I'm like, "Forget you!"
I guess the change in my pocket wasn't enough
I'm like, "Forget you and forget her, too!" Said if I was richer, I'd still be with you
Hah, now ain't that some sh**?
(Ain't that some sh**?)
And although there's pain in my chest, I still wish you the best
With a forget you Now look here, I'm sorry I can't afford a Ferrari
But that don't mean I can't get you there
I guess she's an Xbox and I'm more Atari
But the way you play your game ain't fair I pity the fool that falls in love with you
Oops, she's a gold digger, just thought you should know
I've got some news for you
Yeah, go on and run tell your little boyfriend I see you drivin' 'round town with the girl I love
And I'm like, "Forget you!"
I guess the change in my pocket wasn't enough
I'm like, "Forget you and forget her, too!" Said if I was richer, I'd still be with you
Hah, now ain't that some sh**?
(Ain't that some sh**?)
And although there's pain in my chest, I still wish you the best
With a forget you Now I know that I had to borrow
Beg and steal and lie and cheat
Tryin' to keep ya, tryin' to please ya
'Cause bein' in love with your *** ain't cheap, no I pity the fool that falls in love with you
Oops, she's a gold digger, just thought you should know
Well, I've got some news for you
Ooh, I really hate your *** right now I see you drivin' 'round town with the girl I love
And I'm like, "Forget you!"
I guess the change in my pocket wasn't enough
I'm like, "Forget you and forget her, too!" Said if I was richer, I'd still be with you
Hah, now ain't that some sh**?
(Ain't that some sh**?)
And although there's pain in my chest, I still wish you the best
With a forget you Now baby, baby, baby
Why you wanna, wanna hurt me so bad?
(So bad, so bad, so bad)
I tried to tell my mama
But she told me, "This is one for your dad"
(Your dad, your dad, your dad)

(Yes, she did) And I was like, uh
Why?
Why?
Why, baby? I love you
I still love you, oh I see you drivin' 'round town with the girl I love
Forget you!
I guess the change in my pocket wasn't enough
I'm like, "Forget you and forget her, too!" Said if I was richer, I'd still be with you
Hah, now ain't that some sh**?
(Ain't that some sh**?)
And although there's pain in my chest, I still wish you the best
With a forget you
