

# Joan Of Arc

## Lisa Miskovsky

4 days on the floor, I've seen this place before  
The sign is on the door, I need you  
The light shades down the fence, I leave my time and sense  
Cause I don't even fall through your open door  
Why won't you help me to understand?  
Why I can't keep my faith in Love?  
Why won't you lend me a helping hand?  
I think I need a push in the shove  
Help me to understand, why I need you so bad?  
Sunshine can be cruel, you try to keep your cool  
But all I ever said, "I need you"  
Oh, loose all I can't hold and lately I've been so cold  
And I won't even fall through that open door  
Why won't you help me to understand?  
Why I can't keep my faith in Love?  
Why won't you lend me a helping hand?  
I think I need a push in the shove  
Help me to understand, why I need you so bad  
Help to understand, why I need you, oh, so bad  
Why I need you? I need you, I need you  
God I need you
