Meteorology

Eggnoise

It never rains but it pours
Are we just settling scores?
Too many closing doors
It never rains but it pours

It never rains but it pours
Are we just settling scores?
Too many closing doors
It never rains but it pours

You're always looking for more
Not just the luck of the draw
I'm never totally sure
You're always wanting more

Det regnar aldrigimen det Ã¶ser ner
Det regnar aldrigimen det Ã¶ser ner
