

Who Knows (Ft. Mike Posner)

Big Sean

INTRO: Press play press play...chorus: Sometimes my mind wanders away from me... I know
I light my duchie up, puff, maybe one day I'll fly... Who knows who knows who know? I knows... Who
Knows? Verse 1:

I wish I could be what I want to. I wish that I would do what I don't do. I need a miracle i hope it come through.
I'm trying to work it out, I need a jumpsuit (damn) cuz I had me enough of not havin' enough, slackin an stuff.

Mama on the phone not bragging or nothing cuz he son ain't really got shit happening much. saw my bank
account like where all the "O's" at? Hit the club like where all the hoes at? get a lil change and you'll see how
shit change you gon be up in the crib like where all her clothes at? And ask your girl she know it easy to say no
to a nigga that's broke, but somebody with doe who's got a lil mo'... Shit... I dunno.chorus x1 Verse 2: And I
always had drive, gets where I'm going when I ain't have a ride. And when they ask do you do what you love
Ima say I do if i ain't got a bride. and I always kept faith like big always trying to do it big till my crib on Cribbs.
And my girl ain't got to worry 'bout shit cuz our world is going be the shit. So she can tell her mom ima keeper.
I am a dreamer, I coulda been a king huh. Ima put my hands together like an applaud look upward like what up
lord. I know if you try to you can turn these gray skies back to sky blue. Was made for the give and go like a
drive-thru. Give us opportunity and see what we do with it.chorus x1
