Lionheart

Have Heart

this so called "shit" is what I live for, it's why i'm alive
ill never smother this fire, forever burning inside
i'm at the point where i'm sucked in
by the message, I get this passion
this fury is mine and it keeps me alive
I cant fucking breath until i release what's inside
an unloaded gun, that will never go off
a rollercoaster ride, that can't wait to stop
so tell me who the fuck are you trying to fool?
tell me what the fuck have you put your heart into?
fuck the tame animal restricted to the cage
and predictable actions, that define your "rage"
i'm the motherfucking lion roaring in your face
tearing down those limits that keep you placed
say I care too much and i got it all wrong?
i'm in this for the message, it's more than just song
blood, sweat, intensity
every broken knuckle or busted knee
i'm doing my best, and i'm doing my part
don't criticize me man when theres no fire in your heart
