

# Bringin' Down Dinner

Neil Young

The evening fog was rolling in  
It was getting hard to see  
The old white car edged down the road  
Headed for the double eShe was bringin' down dinner for grandpa  
It was crawlin' with vitamins  
And tender as a mother's love  
When she saw the tv vansThe side door was open  
There were three tvs  
Grandpa's face was on every one  
He was talkin' to a woman with a microphone  
She was sexy and her hair was all doneSun green came out and met grandma then  
"my, you're such a beautiful girl  
Mother earth needs more like you  
You should go out now and see the worldWhat's grandpa doin' on tv?  
I got his dinner in the car  
All these vans have blocked our road  
But we can carry it, it's not too far"
