How You Like Me Now

The Heavy

Now there was a time
When you loved me so
I could have been wrong
Now you needed to know
See, I've been a bad, bad, bad, bad man
And I'm in deep... Yeah
I found a brand new love for this man
And can't wait till you see
I can't waitSo how you like me now
How you like me now
How you like me now
How you like me nowHow you like me now
How you like me now
How you like me now
How you like me nowRemember the time
When I eat you up
Yeah I wasn't lyin'
that you can't give up
If I was to cheat
oh, would you see right through me
If I sing a sad, sad, sad, sad song
would you give it to me?
Would ya?How you like me now
How you like me now
How you like me now
How you like me nowHow you like me now
How you like me now
How you like me now
How you like me nowDoes that make you love me baby
Does that make you want me baby
Does that make you love me baby
Does that make you want me babyHow you like me now
How you like me now
How you like me now
How you like me now
