

# A Winter's Tale

[AFI](#)

A chilling silence, a world of violets  
My breath materialized again  
Immaculate, inanimate  
A comfort cutting time I see a string of white lights Forever walking through December  
Forever  
Forever longing for a sign of life, a bringer of light  
Forever wandering together through  
A world of violets Ice everlasting  
A full moon casting a purple veil enshrouding all  
I perambulate, somnambulant  
A solace piercing time I see a string of white lights Forever walking through December  
Forever  
Forever longing for a sign of life, a bringer of light  
Forever wandering together through  
A world of violets If only one for night, if only for one night  
If only for one night remember  
If only for one night, if only for one night  
if only for one night together Forever walking through December  
Forever  
Forever longing for a sign of life, a bringer of light  
Forever wandering together through  
A world of violets
