

Look At Us

Vince Gill

Look at us
After all these years together
Look at us
After all that we've been through
Look at us
Still leaning on each other If you want to see
How true love should be
Then just look at us Look at you
Still pretty as a picture
Look at me
Still crazy over you
Look at us
Still believin' in forever An' if you want to see
How true love should be
Then just look at us In a hundred years from now
I know without a doubt
They'll all look back and wonder how
We made it all work out Chances are
We'll go down in history
An' when they want to see
How true love should be
They'll just look at us Chances are
We'll go down in history
An' when they want to see
How true love should be
They'll just look at us An' when they want to see
How true love should be
They'll just look at us
