

# Sleeping Sun

## Nightwish

The sun itsleeping quietly  
Once upon a century  
Wistful oceans calm and red  
Ardent caresses laid to restFor my dreams I hold my life  
For wishes I behold my nights  
The truth at the end of time  
Losing faith makes a crimeI wish for this night-time  
to last for a lifetime  
The darkness around me  
Shores of a solar sea  
Oh how I wish to go down with the sun  
Sleeping  
Weeping  
With youSorrow has a human heart  
From my god it will depart  
I'd sail before a thousand moons  
Never finding where to goTwo hundred twenty-two days of light  
Will be desired by a night  
A moment for the poet's play  
Until there's nothing left to sayI wish for this night-time  
to last for a lifetime  
The darkness around me  
Shores of a solar sea  
Oh how I wish to go down with the sun  
Sleeping  
Weeping  
With youI wish for this night-time  
to last for a lifetime  
The darkness around me  
Shores of a solar sea  
Oh how I wish to go down with the sun  
Sleeping  
Weeping  
With you
