Melrose

Night Beds

Maybe soon you'll learn to love me
And maybe soon you'll learn
I will follow through the garden
with the tall grass growing
around your
Ever know pain
Did you ever know pain
Ever know pain
Ever know pain
Ever know pain
Did you ever know pain
Ever know pain
Ever know pain
I will follow through the garden
with the tall grass growing
around your
But I'll be damned if I do
I'll be damned
I'll be damned
I'm not the only one
When you're caging tremors
I should've died
When you're caging tremors
We shut up
When you're caging tremors
I should've died
When you're caging tremors
We shut up
I'm gonna find you
laying in the tall grass
I wanted a garden
Some things just don't last
I'm gonna find you
laying in the tall grass
I wanted a garden
Some things just don't last
I'm gonna find you
laying in the tall grass
I wanted a garden

Some things just don't last
Maybe soon
Maybe soon
Maybe soon
Maybe soon you'll learn to love me
And someday soon you'll learn
