

Breath of Life

Florence + The Machine

Oh, oh, oh, oh, oh (3x)

Woa....

I was looking for a breath of life
For a little touch of heavenly light
But all the choirs in my head say, no oh oh oh

To get a dream of life again
A little vision of the sun at the end
But all the choirs in my head say, no oh oh oh

But I would need one more touch
Another taste of heavenly rush
And I believe, I believe it so oh oh oh oh

And I would need one more touch
Another taste of divine rush
And I believe, I believe it so oh oh oh oh

Who's side am I on? Who's side am I?
Who's side am I on? Who's side am I?

And the fever begins to spread
From my heart down to my legs
But the room is so quiet, oh oh oh oh

And although I wasn't losing my mind
It was a call that was so sublime
But the room is too quiet, oh oh oh (believe it...)

I was looking for a breath of life
A little touch of heavenly light
But all the choirs in my head say, no oh oh oh (believe it...)

To get a dream of life again
A little vision of the sun in the end
But all the choirs in my head saying, no oh oh oh

[Instrumental]

It's a long wait and it's come to claim her

And I always say, We should be together
I can see the look, it's the something in me
And if you were gone, I will not be long (Be long, be long, be long)

And I started to hear it again but this time it wasn't the end
And the room is so quiet, oh oh oh oh

And my heart is the heart of a life
For the devil to dance again
And the room is too quiet, oh oh oh oh

I was looking for the breath of a life
A little touch of a heavenly life
But all the choirs in my head saying no, oh oh
