Save the Nation (Nosebreakers Version)

Royal Republic

It all comes down to this
Take upper hands to every kiss
Ill make it right, Ill show the way
Ill take your fight, Ill save the dayPut your mark right by my name
Rise and shine and rise again
You know Im everywhere
Take a round, you know Im thereNo one but me can save the nation
Charge out your occupations
Charge out your occupations
But no one but me can save the nation
Charge out your expectation
Charge out your expectation
But no one but me can save the nationSo put your mark right by my name
Rise and shine and rise again
You know Im everywhere
Turn around, you know Im thereCharge out your occupations
Charge out your occupations
But no one but me can save the nation
Charge out your expectation
Charge out your expectation
But no one but me can save the nationA vote for me is a vote for you
A vote for me is a vote for you
Spokesman of our generation
No one but me can save the nationA vote for me is a vote for you
A vote for me is a vote for you
A vote for me is a vote for you
A vote for me is a vote for youJust start an information
A modern revelationNo one but me can save the nation
Charge out your occupations
Charge out your occupations
But no one but me can save the nation
Charge out your expectation
I catch your aggravation
But no one but me can save the nationAll the kids need motivation
You do need my dictation
But no one but me can save the nationA vote for me is a vote for you
A vote for me is a vote for you
Spokesman of our generation
No one but me can save the nationA vote for me is a vote for you

A vote for me, a vote for me
