

# Freak Like Me

[Santigold](#)

Freak like me, freak like me  
You a freak like me freak-freak like me-me  
Freak like me, freak like me  
You a freak like me, freak like me  
Freak like me, freak like me  
You a freak like me, freak-freak like me  
(La la)  
Freak like me, freak like me, you a freak like me  
(La la)  
You a freak like me, freak like-like me  
Freak like me, freak-freak like me  
Sitting pretty on the top watching all you wantin' money  
Do you know where you give up, when you fear my voice on TV

Got money, money, money goes, turn it up and turn it down  
Coming out with nothin' ooh, tell me when you hit the ground  
Just this once I let you go, 'fore you walk you pass the ground  
And you don't know, oh no no you don't know  
What you want you'll never stop, guess that means you made it honey  
You're famous for what? It matters more that  
You look good in Photoshop, you're still tan when it's not sunny  
Keep flyin' higher,? as a tiger  
It's funny, funny, funny though, now we buy it by the pound  
Comes another puppy ooh, give a smile and turn around  
How far will you let it go, it's a game of pleasure now  
And you don't know, oh no no you don't know  
If you will, there's no need then to lay down  
Why could you not stand, take a chance now, oh
