## Astronoid

Astronoid  
Up and Atomtucked away  
for good I'll stay  
finally  
finallyI'm awake  
I'm not the same  
I'm free  
I'm free  
so I don't know  
far away  
if you come  
it's too late  
we'll drift far away  
we'll drift far away  
motionless  
I wait ashamed  
floating  
floatingI never asked for answers  
but I'm floating nowhere  
I see  
I see  
so I don't know  
far away  
if you come  
it's too late  
we'll drift far away  
we'll drift far awayI can see  
the one for me  
but I can't reach  
the hand, my love  
(...)so I don't know  
far away  
if you come  
it's too late  
we'll drift far away  
we'll drift far away(...)
