

I Don't Even Care About You

Missio

Depressed again

Morning comes too fast and I'm tired of the routine

Depressed again

Let me sit alone in the tone of your gravity

Angry again

Know I don't wanna ever conversation with you

Angry again

Let me sit alone with the care-care-care-caressingI don't even care about you

I don't know I

I don't even care about you

I don't know I

I don't even care about you

Depressed again

Evening comes too fast, still tired of the routine

Depressed again

I can do without your forced curiosities

Angry again

Know I don't wanna ever conversation with you

Angry again

Let me sit alone with the care-care-care-caressingI don't even care about you

I don't know I

I don't even care about you

I don't know I

I don't even care about you

I don't know I

I don't even care about you

I don't know I

I don't even care about you

You-oooh-oooh

...

Depressed again

Angry again

Let me sit alone with the care-care-caressingI don't even care about you

I don't know I

I don't even care about you

I don't know I

I don't even care about you

I don't know I

I don't even care about you

I don't know I
I don't even care about you
