Dawn (Go Away)

The Four Seasons

Pretty as a midsummer's morn
They call her Dawn[Chorus:]
Dawn,
Go away I'm no good for you
Oh Dawn
Stay with him, he'll be good to you
Hang on
Hang on to youThink
What a big man he'll be
Think
Of the places you'll see
Now think what the future would be with a poor boy like me
Dawn go away
Please go away
Although I know
I want you to stay
Dawn go away
Please go away
Baby, don't cry
It's better this way
Ahh, ahh, ah
Ohh-ohh-oh[Chorus:]Dawn
Go away back where you belong
Girl we can't
Change the places where we were born
Before you say
That you want me
I want you to think
What your family would say
Think
What your throwing away
Now think what the future would be with a poor boy like me
Meee-ee[Chorus:]Dawn
Go away I'm no good for you
Dawn
Go away I'm no good for you
