

Won't Come Out to Play

The Muffs

Hey, everybody listen to me
Listen to me, listen to me
Hey, everybody listen to meAnd I won't come out to play
I won't come out to playHey, everybody do it to me
Do it to me, do it to me
Hey, everybody do it to meAnd I won't come out to play
I won't come out to playHelp me
I think I'm quite a bit weathered
Maybe
I'll finally disappear, it may take foreverI want
To look a little bit clearer
But your
Exaggeration clouds up my mirrorHey, everybody listen to me
Listen to me, listen to me
Hey, everybody listen to meAnd I won't come out to play
I won't come out to play
I won't come out to play
I won't come out to play
