

# Last Lonely Man

## DTCV

Out of the corner of my eye  
I watch you walk on water  
I am not afraid to say good bye This is the room I fit in  
I sleep but not always  
I am not afraid to say good bye He lives  
And he still  
And he won't  
He lives  
And he still  
And he won't  
Float

Out of the corner of my eye  
I see the water rising  
I am not afraid to say good bye  
Not afraid to say good bye This is the room I fit in  
I sleep but not always  
Not afraid to say good bye  
I am not afraid to say good bye He lives  
And he still  
And he won't  
He lives  
And he still  
And he won't  
Float

He stares at the moon and the sun  
He's in love with everyone  
The last lonely man's heartbreaking  
The last lonely man's heartbreaking
