

Hang In Long Enough

Phil Collins

The signs gettin' clearer
Clearer than you need
The writing's on the wall
For you to see
You never thought you'd ever get the taste
You never thought that it could be this good
Just tell me what you want and I'll find the key
Just reach out and touch it's all yours
If you hang in long enough
You'll do it
Well just hang in long enough
You're down on the ground, broke
Or so you say
You'd sell the hole in your pocket
If you could find a way
Don't ask me how I know
'Cos you don't wanna hear
It's been a long hard road
And the end is getting near
You never thought you'd ever get the chance
You never thought your break would come along
If you tell me what you want, I'll find the key
Just reach out and touch it's all yours
If you hang in long enough
You'll do it
Well just hang in long enough
They always say
'The best things in life are free'
But you want to have everything
Well you're going to have to beg if you want it all
So hang in long enough
And you'll do it
Just hang in long enough
Well, they'll let you out
But then pull you in
Playing hell with your emotions
You'll feel like giving in, yeah
Just hang in long enough
And you'll do it
Hang in long enough
And you'll do it, yeah
Hang in long enough
And you'll do it
Hang in
You'll do it
Hang in
You'll do it
