

# Unpredictable

[G.G. Allin](#)

I'll tell you a story, what happened a long time-a  
And it won't happen any more, more, more, more, more, more  
You tell that girl everything that you wanted to  
And then she wanted a little bit more, more, more, more, more, more  
You can't believe what they tell you  
Unpredictable, you gotta throw it away  
Girls are so unpredictable, bull, bull, bull, bull, bull  
You tell that girl everything that you wanted to  
And then she wanted a little bit more, more, more, more, more, more  
You tell her you don't want to see her pretty little face again, so  
You don't go knocking at my door, door, door, door, door  
You tell that girl everything that you wanted to  
You can't believe what they tell you  
Unpredictable, you gotta throw it away  
Girls are so unpredictable, bull, bull, bull, bull, bull  
You tell that girl everything that you wanted to  
And then she wanted a little bit more, more, more, more, more, more  
You tell her you don't want to see her pretty little face again, so  
You don't go knocking at my door, door, door, door, door  
You tell that girl everything that you wanted to  
You can't believe what they tell you  
Unpredictable, you gotta throw it away  
Girls are so unpredictable, bull, bull, bull, bull, bull
