

You're The Reason

Victorious Cast

I don't want to make a scene
I don't want to let you down
I try to do my own thing
and I'm starting to figure it out that it's alright
keep it together
wherever we go
and it's alright
oh well, whatever
everybody needs to know You might be crazy
have I told you lately
that i love you
you're the only reason
that I'm not afraid to fly And it's crazy
that someone could change me
and no matter what it is I have to do
Im not afraid to try
and you need to know that you're the reason, why I don't even care when they say
you're a little bit off
look at me in the eye I say
I could never get enough cause it's alright keep it together
wherever we go
and it's alright
oh well, whatever
everybody needs to know You might be crazy
have I told you lately
that i love you
you're the only reason
that I'm not afraid to fly And it's crazy
that someone could change me
now no matter what it is I have to do
Im not afraid to try
and you need to know that you're the reason, why if it was raining you would yell at the sun
pick up the pieces when the damage is done
you say it's just another day in the shade
look at what a mess we made You might be crazy
have I told you lately
that i love you
you're the only reason
that Im not afraid to fly And it's crazy

that someone could change me
now no matter what it is I have to do
Im not afraid to try
and you need to know that you're the reason, why
