Wandering Eyes

Matt Wertz

Lady please excuse me
I ain't thinkin right
My eyes just ain't stayin put tonight
Oh, so much goin crazy
So much thinkin maybe
My eyes just ain't stayin put tonight
Oh, I can see by your expression
That I'm about to learn my lesson
And it's well deserved
But girl I gotta tell you
That I'd stop them in a second
If I could
Because I've got wandering eyes
Walkin around this room tonight
Lookin for a place to hide
These wandering eyes
Baby I got wandering eyes
Walkin around this room tonight
Lookin for a place to hide
These wandering
These wandering
Eye, eye, eyes
Girl this ain't the first time
It's won't be the last
My eyes just ain't stayin put tonight
Oh, lowlights stolen glances
14 second chances
My eyes just ain't stayin put tonight

Oh, I can see by your expression
That I'm about to learn my lesson
And it's well deserved
But girl I gotta tell you
That I'd stop them in a second
If I could
Because I've got wandering eyes
Walkin around this room tonight
Lookin for a place to hide
These wandering eyes

Baby I got wandering eyes
Walkin around this room tonight
Lookin for a place to hide
These wandering
These wandering
Eye, eye, eyes
I've got wandering eyes
Walkin around this room tonight
Lookin for a place to hide
These wandering eyes
Baby I got wandering eyes
Walkin around this room tonight
Lookin for a place to hide
These wandering
These wandering
Eye, eye, eyes
Lady please excuse me
I ain't thinkin right
My eyes just ain't stayin put tonight
