

# Enjoy Yourself

A+

Enjoy yourself, 9-8, get it straight  
Yes yes y'all steady playin' the wall  
Too young to sip alcohol at the bar  
I'm ready to jet-girls acting bourgeois  
Yo kedar let me hold the keys to the car  
I'm in front of the club tryin' to bag a chick  
Tryin' to get five of 'em 'cuz the whip seats six  
Feelin' aiight, chrome lookin' real tight  
Watch the moonlight bounce off the pearl white  
Word money, I earn money just to burn money  
Tryin' to get this federal reserve money  
There's two types of artists, expert and novice  
Experts always hit the mark of their target  
Enjoy yourself, enjoy yourself, enjoy yourself for me  
Enjoy yourself, enjoy yourself, enjoy yourself for me  
You gotta enjoy yourself c'mon  
Cuz I'm the baddest foundation ever established  
Me and my team bubble like Alka Seltzer tablets  
Don't sleep when its time to creep  
A little pimp like me will crawl underneath  
It takes alot more than words to move me  
I don't give a P H U K what u say  
Actin' all wild, unprofessional  
Who got beef, knock the teeth out yo smile  
My lyrical lubricant keeps the crowd movin'  
You get boood 'cuz your stage show needs improvement  
So if you wanna see A+ the artist  
You gotta western union your key grand deposit  
Cats out there steady kickin' garbage  
You can't harm me or stop me  
Even on a poor quality bootleg cassette  
Enjoy yourself, enjoy yourself, enjoy yourself for me  
Enjoy yourself, enjoy yourself, enjoy yourself, for me  
You gotta enjoy yourself c'mon  
Take your time, make up your mind  
Down been for sure down been to the mind  
Real fools never fall in love  
Stealin' my heart is like stealin' a car with the club  
Nevertheless I get an occasional crush  
Say some romantic stuff that make u wanna blush  
Girls in all flavors, no matter what they race is  
Rhymes amazin' making, craig mack faces  
Take her back to the lab and touch three bases  
Take my time, don't wanna catch no rape cases  
Kiss on the forehead and say goodnight  
A+ y'all and I'm out like 3 strikes  
Enjoy yourself, enjoy yourself, enjoy yourself for me  
Enjoy yourself, enjoy yourself, enjoy yourself for me  
You gotta enjoy yourself c'mon  
Enjoy yourself, enjoy yourself, enjoy yourself for me  
Enjoy yourself, enjoy yourself, enjoy yourself for me  
You gotta enjoy yourself, you gotta enjoy yourself c'mon  
C'mon, c'mon enjoy yourself  
C'mon,
