

I'm Your Man

All 4 One

If you've been hurt and you feel you can't go on
The pain in your heart is much too strong, it's been there too long
It's time to let go and to find you someone new
Someone who really cares and will always be there for you
One who'll hold you tight, morning, noon and night
Gently kiss your lips under candlelight
Give you all you need, love you endlessly for life
If you're looking for love and romance
Someone who cares and understands
I'm your man, I'm your man, I'm your man, baby I'm your man
And girl I'll treat you right, hold you tight
And make sweet love all through the night
I'm your man, I'm your man, I'm your man, I'm your man
Now he promised you he would never let you down
But when you needed love and never was, just could not be found
He played with your heart, just like it was a game
But girl never, never, never again
Just let me in girl, things will never be the same
Girl I'll hold you tight, morning, noon and night
Gently kiss your lips under candle light
Give you all you need, love you endlessly for life
If you're looking for love and romance
Someone who cares and understands
I'm your man, I'm your man, I'm your man, baby I'm your man
And girl I'll treat you right, hold you tight
And make sweet love all through the night
I'm your man, I'm your man, baby I'm your, your man
Girl, I'll never let you down and when you need love
I'll always be around to satisfy your every desire
Over and over again
If you're looking for love and romance
Someone who cares and understands
I'm your man, I'm your man, I'm your man, baby I'm your man
And girl I'll treat you right, hold you tight
And make sweet love all through the night
I'm your man, I'm your man, I'm your man, I'm your man
If you're looking for love and romance
Someone who cares and understands
I'm your man, I'm your man, I'm your man, baby I'm your man

And girl I'll treat you right, hold you tight
And make sweet love all through the night
I'm your man, I'm your man, I'm your man, I'm your man
