

Johnny Come Home

[jeppe](#)

Nobody knows the trouble you feel
Nobody cares the feelin' is real Johnny

We're sorry

Won't you come on home?

We worry

Won't you come on? What is wrong in my life
That I must get drunk every night?

Johnny

We're sorry Use the phone, call your mum
She's missin' you badly, missin' her son
Who do you know? Where will you stay?
Big city life is not what they say Johnny

We're sorry

Won't you come on home?

We worry

Won't you come on? What is wrong in my life
That I must get drunk every night?

Johnny

We're sorry

Won't you come on home? You'd better go home, everything's closed
Can't find a room, money's all blown
Nowhere to sleep out in the cold
Nothin' to eat, nowhere to go Johnny

We're sorry

Won't you come on home?

We worry

Won't you come on? What is wrong in my life
That I must get drunk every night?

Johnny

We're sorry

Won't you come on home? We worry
Won't you come on home ?

Johnny

Won't you come on home?
