

# Carried Away

## Islands

No way the feeling, of falling is something  
You feel when you're awake, awake, awake  
Beauty of this place will hit you in the face  
And I don't know if I know what it means to be alive, alive  
So steal a little moment, lose it like you own it  
Know just what it's all about  
Either way, we're falling  
You can even call it out, you call it out  
Letting the light in and leaving the island if just for a little while  
Feel it in your lungs and feel it on your tongue  
All of the songs that have yet to be sung  
Ah, ah, ah  
So steal a little moment, lose it like you own it  
Know just what it's all about  
Let it carry you away
