I'm Cryin'

Stevie Ray Vaughan

Well now sittin' here so lonely, feelin' oh so blue
My baby's tryin' to mistreat me and I don't know what to do
So I'm cryin', why do I have to feel this way
If I can't love my baby, I can't live another dayYeah I've loved her for such a long time to end it all this way
Sittin' here so lonely, tears be fallin' just like rain
So I'm cryin', why do I have to feel this way
If I can't love my baby, I can't live another dayYeah you know I love you baby, I'll do anything for you
But when we start to fightin', I just get these same old bluesSo I'm cryin', why do I have to feel this way
If I can't love my baby, I can't live another dayYeah now when I first met you baby, at a dance and we did fine
Now we're together and it's a total waste of time
So I'm cryin', why do I have to feel this way
If I can't love you baby, I can't live another dayWell I guess it's just my own fault, the truth I cannot hide
But if I ever get you back dear, I'll stay right by your side
I won't be cryin', I'll stay happy that a way
I'll be lovin' my little baby, every night and every day
