

# I'm Cryin'

Stevie Ray Vaughan

Well now sittin' here so lonely, feelin' oh so blue  
My baby's tryin' to mistreat me and I don't know what to do  
So I'm cryin', why do I have to feel this way  
If I can't love my baby, I can't live another day Yeah I've loved her for such a long time to end it all this way  
Sittin' here so lonely, tears be fallin' just like rain  
So I'm cryin', why do I have to feel this way  
If I can't love my baby, I can't live another day Yeah you know I love you baby, I'll do anything for you  
But when we start to fightin', I just get these same old blues So I'm cryin', why do I have to feel this way  
If I can't love my baby, I can't live another day Yeah now when I first met you baby, at a dance and we did fine  
Now we're together and it's a total waste of time  
So I'm cryin', why do I have to feel this way  
If I can't love you baby, I can't live another day Well I guess it's just my own fault, the truth I cannot hide  
But if I ever get you back dear, I'll stay right by your side  
I won't be cryin', I'll stay happy that a way  
I'll be lovin' my little baby, every night and every day
