

# White And Black

## Josh Kumra

Hello my friend,  
Where you been?  
It's been so long,  
Since we last spoke.We use to talk a lot,  
Playing cards  
And catching mad, mad jokes,  
Oblivious and broke.Oh I miss the days,  
Miss the days,  
Of white and black.  
You led me astray  
But I'll never look back,  
White and black.Hello my friend  
Look at you  
All grown up  
But you've still got that smileExpensive clothes  
And a wedding bend,  
When I last saw those hands  
They belonged, belonged to a child  
So innocent and wild.Oh I miss the days,  
Miss the days,  
Of white and black.  
You led me astray  
But I'll never look back,  
White and black.Separate ways gave us the  
Shades of grey needed to  
Gro-oh-oh-ow oh-oh-oh-owFriends to strangers,  
Now your names the only thing I  
Kno-oh-oh-ow oh-oh-oh-owBut I'm, glad we had what we had  
White and blackOh I miss the days,  
Miss the days,  
Of white and black.  
You led me astray  
But I'll never look back,  
White and black.
