Dalkom dalkom oh chocolate loveFrom the first time I saw you
I wanted to touch you, be the only one to have you
Chocolate love!
Will you be able to resist this new magical charmProudly, preciously I am hiding you
This feeling is a first, and I've fallen for itI got you babe, I call,

I call it chocolate love
I want you, I want to keep you
Sweet Sweet Oh chocolate loveJust saying you are cool isn't enough
Everyone's going to be surprised, they're going to faint
Chocolate love! Brand new world..
Can't explain all of this with a single wordYou are unconsciously, sharply tempting me
This feeling is a first, I've meltedI got you babe, I call,
I call it chocolate love
I want you, I want to keep you
Sweet Sweet Oh chocolate love
I got you babe, I call,
I call it chocolate love
I want you, I want to keep you
Sweet Sweet Oh chocolate love*Amber's Rap*
You and I, now picture, that'd be so fly.
Sweeties, break me off a piece of that chocolate pie.
Bottom to top, you're so hot.
In my eyes, a perfect profile.
Something about that dark complexion, that cause me feeling your style.woo~ you are not easy as it seems
But the feeling is coming to me
Ro~mantic like chocolate
Oh come to me like that
woo~ you are not easy as it seems
But the feeling is coming to me
Ro~mantic like chocolate
Oh come to me like thatI got you babe, I call,
I call it chocolate love
I want you, I want to keep you
Sweet Sweet oh chocolate love
I got you babe, I call,
I call it chocolate love
I want you, I want to keep you
Sweet Sweet oh chocolate love
