Damned and Dead

Centurian

Question the laws of righteousness
Unchain yourself from white
Invert the cross of Calvery
Dead forever is the lightI laugh at bible words
And curse lord god in it
Filthy are his servant slaves
Criminals in sinThey lack the skill of thinking straight
Or are they without thought
They stubbornly claim to know
For jesus brings salvation
Will they never learn
The Satanist will show them how
Will they never learn
A thorn - crowned dog will burnAway with the whore of nazareth
Away with the son of sickness
I am not of a dying god
Whose words flow like blood from his mouthI swear to Satan's crucifix
I swear to the beast 666Damned and Dead is what they all are
On their knees in front of their lord
All in line for flesh and blood
All indulge on jesus christ
Chant the hymns of misery
Scream unto the pale carcass
Praise him without any reason
Thank him for all he never did
