Romance

Level 42

Away with all those tales of romance
You try so hard
And I can't take the heartbreak you weave
Don't cry alone
Oh baby baby, don't give up on me
Turn it up, turn it up, turn it up and you will see
Oh baby baby, this I guarantee
Turn it up, turn it up, it'll be alright
Alright, I said some things need to change
Desires? Maybe
But I don't like to rearrange your lies
(Your lies
So cry alone
Oh baby baby, don't give up on me
Turn it up, turn it up, turn it up I'm begging please
Oh baby baby, this I guarantee
Turn it up, turn it up, it'll be alright
Love's a special thing
Lovers only need honesty
Two hearts the same
(Two hearts the same)
Beating in the name of romance
And I don't care who gives in 'cause it's only a game
The end is just the same
And what remains is why you're crying alone
So alone
Oh baby baby, don't give up on me
Turn it up, turn it up, turn it up I'm begging please
Oh baby baby, this I guarantee
Turn it up, turn it up, it'll be alright
Turn it up, turn it up, it'll be alright
Turn it up, turn it up, it'll be alright
