

She Ain't Right

Dean Dillon

She ain't right ... she thinks I feel no pain.
She ain't right ... she thinks I shed no tears.
Her mind is telling her to feel ... that her heart won't heal for years.
If I could hold her in my arms again ... I'd tell her mind and heart ...
that she ain't right.

She can't let her heart win ... the battle that is from within'
It'll scar her love for all of time ... and cause her love to be so blind.
If I could hold her in my arms again ... I'd tell her mind and heart ...
that she ain't right.
