Where you all belong now

Feel this hotness, that I spit

On the Swizz Beatz

And it get's no sicker than this

Ya like that, nothing crazier or even exist

Dj spin it off, and watch the crowd flip (wow)[Chorus: Mashonda]

I want to party in the rain

(Let it rain , let it rain, let it rain)

Things will never be the same

(Things won't be the same)

I want to party in the rain

(Let it rain, let it rain, let it rain)

Things won't be the same no[Eve]

Uh, hey yo, this thing so crazy

That it hurt ya soul

Don't know what to call it that

Call it rock n roll

All this shit sounding the same

Had to switch the pitch

Change it up ya mean

How you feel, when you hear this

Wasn't prepared boy

I need the listeners on the dance floor

Go head boy

You in yo spot, play the shit loud, run around

Make ya neighbor's, call the police

See'mon go head get wild  
Some of y'all against this shit  
Really against this chick  
This for the niggas who love me  
Go head a get bent  
And if you really want people  
To think you insane  
Open up your door, let it pour  
Party in the rain! [Chorus] [Eve]  
Uh, hey yo, be careful this one here is crazy  
I don't want to scare you  
Clearly I'm just tryin' to party  
And you niggas hear me  
I ain't really never want to let myself go  
But I'ma give it now  
You can't really fuck with this flow  
If you just sitting down  
Now is you with me, or are you bullshitting  
I need to know  
Messing with my concentration  
With me I gotta go  
I know you ready to shout it out  
Yo this chick's incredible  
And it's more to come from baby girl  
That's if your ready though  
I got a lot  
Slow down now I'm loosing my breath  
I think I might  
Move back now ready no not yet  
Almost there  
Swiss let's kill them  
Bring it back one time  
Here we go again  
And party till the sunshine! [Chorus] [Swizz Beatz]  
(Yo we gonna do it like this)  
Somebody, Everybody will y'all scream!  
Oh, woo oh, woo oh, oh, dance woo, yo get ya hands up  
Woo yo, okay, get ya hands in the air, double "are"
