Charlotte

Air Traffic

Don't cry, let it pass you by
I'll be by your side
Each and every dayLet go, you've gotta lose control
Teach you how to roll
Never be the sameOh ah ah oh
Oh ah ah oh'Cos I'm wasted
I'm faced down on the floor
Can't take anymore
Gave it all awayOh lately, I can't find the eyes
Help me realize
That I'm in love
I'm in love, I'm in loveLosing, I'm losing all my faith
I can't stand the days
That I'm aloneTell me, do you feel the same?
Are you glad I came?
Can I walk you home?Oh ah ah oh
Oh ah ah oh'Cos I'm wasted
I'm faced down on the floor
Can't take anymore
Gave it all awayOh lately, I can't find the eyes
Help me realize
That I'm in love
I'm in love, I'm in loveYour face, my place
Your face, my place
Your face, my place at nine
