

I Want You!

Peter Bjorn And John

We stayed and talked about fear
She won't cry and this time I know it's not for me
For sure she kept asking for more
What are ways of money
And feelings we don't have
Don't choke, he's coming your way
Bound to choose the wrong choice again
Oh my God, is it that hard for you to see that I want you?

Cold feet, your sister is sweet, oh, so sweet
But listen, it's you I'd like to meet
Calm down, you act like a clown
I don't care this movie, it only brings me down
So down
And I don't know why, supposed to be one of a kind
Can't pretend here comes the end
And I can't help it, I want you, you, you, you
