Red One

Mr. Worldwide

From Miami, Morocco, to Austrailia

To the world, dale!Run 'em like run 'em run 'em woop

Run 'em like run 'em run 'em woopWhen the sun goes down, down, down, down

Boy are you afraid of the dark, dark?

And when the lights go out, out, out, out

Tell me, do you know where to start, start?

And when the bass gets loud, loud, loud

That is when I feel a part, part

And when the world screams "sound, sound, sound"

Where the sound is the key to my heart, heart[Chorus]

We run yes the we run the night, ni-night, night, ni-ni-night

We run yes the we run the night, we-we-we run, we-we-we run, run

We run yes the we run the night, the night

Run 'em like run 'em run 'em woop

Run 'em like run 'em run 'em woop

Run 'em like run 'em run 'em woopFrom the bottom of the map, Miami,

To the land down under, Australia,

You feel my drive, see my vision and hear my hunger

As my money gets older, theirs get younger

They sell their soul but the Devil knows I have no number

I'm go go baby, fresh oh baby, go go baby, uh oh baby, no no baby

Yeah yeah baby, now jiggle it baby, let me tickle it baby,

I know I'm lost it's gon' be hard to save me,

I'm sorry that's how Dade county raised me,

Y'all heard me right we run the night, now fuck you pay me[Chorus]Feelin' like a rush, rush, rush

Brushing past me all over my skin, ski-i-i-in

I can get enough, 'nough, 'nough

'Cause the beat keep pullin me in, in

Takin' me so high, up, up, up

A place that I've never been, aah
Party, party all night, night, night
Sleep all day then do it again, 'gain We run yes the we run the night, ni-night, night,
Run 'em like run 'em run 'em woop
We run yes the we run the night, we-we-we run, we-we-we run, run
We run yes the we run the night, the night, ni-ni-ni-ni
Run 'em like run 'em run 'em woop
