shadowshow

iamamiwhoami

I am fire, I am damaged in the making
I am an army set out to control your every ticking
I am a giant stepping on the tiny world you're living in, we solveAnd you shake and you shiver as the roof is coming down
And the walls grow thinnerShadows show, darkens the river
Turns hearts into stone
We run, we run
Terrified, what have you done?
This is how it goes
It's how it goesMass confusion, never been so damn excited
What your hearts felt for us was evidently unrequitedAnd I shake and I shiver as I cut through skin and bones
Can you solve the riddle?Shadows show, darkens the river
Turns hearts into stone
We run, we run
Terrified, what have you done?
Is this how it goes?
It's how it goes
