## Stash

## **Phish**

Im pullin' the pavement from under my nails I brush past a garden, dependent on whales

The slopin' companion, I cast down the ash

Yanked on my tunic and dangled my stashZipping through the forest with the curdling fleas

To grow with them spindles, the mutant I seize

I capture the dread beast who falls to his knees

And cries to his cohorts, asleep in the treesSmegma, Dogmatagram, fish market stew

Police in the corner, gunnin for you

Apple toast, bed heated, fur blanket rat

Laugh when they shoot you, say

Please dont do thatControl for smiler's cant be bought

The solar garlic starts to rot

Was it for this my life I sought?

Maybe so and maybe not

Was it for this my life I sought?

Control for smiler's cant be bought

The solar garlic starts to rot

Was it for this my life I sought?

Was it for this my life I sought?

Was it for this my life I sought?

Was it for this my life I sought? Maybe so and maybe not

Maybe so and maybe not

Maybe so and maybe not
