

# Nobody Else But Me

**Tony Bennett**

I want to be no one but me  
I am in love with a lady who likes me the way I am  
I have my faults, she likes my faults  
I'm not very bright, she's not very bright  
She thinks I'm grand, that's grand for me  
She may be wrong but if we get along  
"What do we care?", say we  
Walking on the shore, swimming in the sea  
When I am with her, I am glad the boy who's with her  
Is nobody else but me  
She thinks I'm grand, that's grand for me  
She may be wrong but if we get along  
"What do we care?", say we
