

Im Back "Back 2 Business"

Trina

You know I keep it wet, call me Aquafina
Wanna do the wild thing, funky cold medina
Ass so fat, its popping out my jeansy
Watch me bust it open like I pack a fucking Nina
You know I keep it wet, call me Aquafina
Wanna do the wild thing, funky cold medina
Ass so fat, its popping out my jeansy
Watch me bust it open like I pack a fucking Nina Who dat, dat bitch, prime time, top pick
