Abrasive

Puddle of Mudd

I cannot wait or stick around I'm giving up, I'm face down It's not me, it's not you But I'm still in this roomHey, you choose it Hey, you abused itIt's not you, wipe the tears aside And you cry and scream In the middle of the night Wrapped in a blanket But you told the liesHey, you choose it Hey, abused it Hey, refused it Hey, you lose itI cry and scream in the middle of the night I can't go to sleep I shake my head in the middle of the night I can't go to sleepIt's not me, it's not you Why can't I sleep
