

# Let's Turn It On

## Freddie Mercury

In my defense what is there to say  
All the mistakes we made, must be faced today  
It's not easy now knowing where to start  
While the world we love, tears itself apart I'm just a singer with a song  
How can I try to right the wrong  
For just a singer with a melody  
I'm caught in between with a fading dream In my defense what is there to say  
We destroy the love it's our way  
We never listen enough never face the truth  
Then like a passing song love is here and then it's gone I'm just a singer with a song  
How can I try to right the wrong  
For just a singer with a melody  
I'm caught in between with a fading dream I'm just a singer with a song  
How can I try to right the wrong  
I'm just a singer with a melody  
I'm caught in between with a fading dream Caught in between with a fading dream  
Caught in between with a fading dream Oh, what on earth  
Oh, what on earth  
How do I try  
Do we live or die Oh, help me God  
Please help me
